Reds Lose Fight To Bare A-Bomb Secrets of U. S.

NEW YORK, Dec. 14 (AP)—Russia today lost her fight to lay open the American atomic bomb secrets immediately but the United Nations assembly approved a universally acclaimed plan for arms reduction which would, in time, scrap all weapons of mass destruction.

Optimism over the arms program was the keynote as Soviet Foreign Minister V. M. Molotov sailed for home with American assurance that international control of atomic energy with step-by-step disclosure of all the facts would be given top priority in the plan to discard arms.

The optimism was reflected as far away as Moscow where the government newspaper Izvestia declared the work of the United Nations and foreign ministers council here had been "fruitful" and "substantial." The paper said that "one can not fail to see a substantial achievement benefitting the cause of international peace."

Addressed Assembly

These developments came after Secretary of State James F. Byrnes, British Foreign Secretary Ernest Bevin and Molotov addressed the assembly late last night and early today.

The secretariat gave up hopes of reaching final adjournment tonight in the midst of long debates over minor items and announced another plenary session for 2:30 p. m. (EST) tomorrow.

The arms reduction program was approved unanimously this morning amid a wave of applause in the Flushing Meadows assembly hall.

The 54 member nations then turned down by a vote of 30 to 6, the Russian demand for an immediate global census of troops and all armaments to implement a long-range proposal for their reduction to the size of a peace-keeping police force.

Molotov Satisfied

As Molotov boarded the liner Queen Elizabeth after attending the foreign ministers conference and most important U. N. sessions he commented that assembly were "satisfactory to the Soviet delegation and to other delegations."

He also expressed confidence that the forthcoming ministers' session in Moscow next March to discuss the German peace treaty "will be as much successful."

U. N. Selects New York for Site of Home

NEW YORK, Dec. 14 (AP) — The United Nations general assembly tonight picked Manhattan's east side for its permanent capital. The vote was 46 to 7. Haiti was absent.

The assembly greeted the result with great applause.

The action, taken in about 30 minutes of short, snappy discussion, climaxed a year's search for a permanent home for the new world peace agency.

San Francisco and Philadelphia were the principal contenders at the end until John D. Rockefeller, Jr., presented his surprise offer of $8,500,000 to buy land for a site in Manhattan's east side.

In the final voting, Australia, Egypt, El Salvador, Iraq, Lebanon, Saudi Arabia and Syria cast ballots against New York City.

Australia and the Arab states thus carried to the end their fight against New York. Australia favored San Francisco in the long contest.

The headquarters committee proposed that the assembly accept the site unanimously and thanked Rockefeller for his offer to buy the land for the skyscraper capital.

Eduardo Zuelta Angel, of Columbia, chairman of the committee, who has been suffering a heart attack, left his hospital bed to come to the assembly and make his report.

Williams Says GOP to Fail At Costs Cut

SALT LAKE CITY, Dec. 14 (AP)—Idaho's outgoing governor, Democrat Arnold Williams, tonight predicted the incoming Republican administration would not reduce expenditures, would not put into law most of the Peabody educational report and would consider legalizing all gambling.

In an interview Arnold, who is here to visit his mother, Mrs. Annie M. Mace, Salt Lake City, said:

"They (the GOP administration) haven't a chance of effecting the promised reduction of state expenditures."

As far as the Peabody report is concerned, Arnold said the issue was over the status for the University of Idaho southern branch at Pocatello.

Williams said he favored that part of the report on Idaho's educational system but added that it had one better than a "50-50" chance of becoming enacted into law.

The need for $4,000,000 to support the Peabody proposals will be "a highly controversial" matter, the governor said. The legalization of gambling, "including pari-mutuel betting" will be considered as a revenue measure, he said.

As for Williams plans after the Republican slate headed by Dr. C. A. Robins of St. Maries takes over—he will return to his insurance business in St. Anthony, but his future also includes "some sort of political activity," the governor said.

Union Head Sees Strike 'Disaster'

NEW YORK, Dec. 14 (AP)—Walter Reuther, president of the CIO United Automobile Workers, said today that "we cannot escape the drift toward disaster if we go into another wave of strikes."

Reuther, who announced Thursday that the UAW would seek a 23½ cents an hour wage increase for its 900,000 members, said the union would use every possible means to settle trade problems between it and employers before resorting to strikes.

The UAW president, speaking at a meeting said that although American labor had the power to strike it did not have the "status" to solve its problems without cooperation from industry.

Bilbo Denies Contribution To Campaign

WASHINGTON, Dec. 14 (AP)—Senators trying doggedly to discover what became of a $25,000 campaign contribution by a war contractor in checks drawn to Senator Bilbo, D., Miss., heard from Bilbo himself today that "I never did get a damn dollar of it."

They heard from former Rep. Ross Collins, who knocked down a witness for saying he got about half of it, that he was paid nothing.

They heard from Roland Wall, another politician said by witnesses to have shared in the pot, that he was promised $3,000 and collected $5,000.

And they never did establish where all the money went when the senate war investigating subcommittee recessed until Monday.

When they hope to learn more from a key witness who had been missing until he turned up in a hospital at Quitman, Miss., last night. He is Edward Terry, former secretary of Bilbo, who wrote the committee he had been threatened with death if he should testify.

Collins and Wall were low men in a four-way senate primary in 1942. The top men, James O. Eastland,

Santa Claus Goes Down...

Santa Claus, position indicated by arrow, goes down flat on his back as Magic Valley youngsters jammed around him in City park Saturday. The children stormed the band shell at the park and were so eager to get closer to Santa they pushed him and his chair over. Wide-eyed children show concern at Santa's plight.

But Thrills Children

One of the hundreds of Twin Falls youngsters picked up and greeted by Santa Claus was four-year-old Sandra Carol Weatherbie, daughter of Mr. and Mrs. Lyle K. Weatherbie. She couldn't quite make up her mind whether or not to cry when Santa asked her what she wanted for Christmas. An estimated 4,000 youngsters welcomed Santa. (Photos by Bob Leerighi-staff engravings)

4,000 Youngsters Greet Arrival of Santa Claus

By BOB LEERIGHT

Santa Claus really went to town Saturday!

A crowd of youngsters estimated at 4,000 jammed the city park to greet jolly old St. Nicholas and get bags of nuts or candy.

The enthusiastic youngsters stampeded Santa and in an effort to get closer for a peek at the gent who'll pay a return visit here Dec. 24 with a bagful of presents, upset the chair on which he was sitting, tumbling Santa to the floor.

Edward Crane, chairman of the Merchants' bureau committee, that arranged for Kris Kringle to come here Saturday, said that 3,600 sacks of candy and 3,400 bags of nuts were distributed to the youngsters.

An estimated 1,800 kiddies opened the Christmas festivities viewing a free movie and cartoons at each of the city's three theaters. A large crowd flocked to the Union Pacific depot where Santa arrived on his special train from the north pole. Mamas and papas, carrying wide-eyed youngsters, jostled with the rest of the crowd so that their children could get a better view of jolly old St. Nick who greeted Twin Falls with a wave and a "Hello, Kids."

Police and city firemen escorted the plump visitor to the city's new fire truck. Santa tossed out a few bags of candy to youngsters vying for his affections and headed a procession to the city park.

Hundreds of youngsters marched along behind the fire truck blocking traffic but the motorists didn't care —wasn't Santa giving the kiddies the thrill of their lives?

At the city park, members of Boy Scout troop 67, led by Mackey E. Brown, Scoutmaster, helped Santa distribute the candy and nuts to the huge crowd, while Santa treated hundreds of little girls and boys by

Robins May List Appointees Today

BOISE, Dec. 14 (AP)—Gov.-elect C. A. Robins said tonight that he may announce tomorrow some of the appointments in his new Republican state administration which takes office Jan. 6 replacing all incumbent Democrats.

Dr. Robins has spent the past two days at his Boise headquarters conferring with heads of state educational institutions on biennial budget matters.

The governor-elect plans to leave tomorrow evening for his St. Marles home to spend the Christmas holidays.

"I will return right after Christmas," Robins said and take up his Boise residence.

Suspect Runs From Police; Youth Jailed

City police last night held one 16-year-old boy in the city jail and were pressing a search for his companion, also 16, who escaped officers shortly after they were arrested on suspicion of burglarizing six Twin Falls business places and residences.

Police Chief Howard Gillette said the youth being held, Frank Zavlanes, Seattle, Wash., had admitted complicity in the break-ins and attempted burglaries.

The youth being sought is Jesse Lester, Seattle, the chief added. Shortly after the double arrest was made at 2 a.m. Saturday in the business district, Lester "made a break for it" and escaped officers in the darkness, the chief explained.

Gillette said Lester's description is 5-6, height; 130 pounds, medium complexion, with light brown wavy short-cropped hair. He likely is bareheaded and wearing olive drab color clothing.

Attempted break-ins were made during the late hours of Friday

11 Persons Taken From Plane Wreck

FAIRBANKS, Alaska, Dec. 14 (AP) — Eleven persons injured when they were trapped in the crumpled nose section of a wrecked four-engined C-54 army transport plane were rescued late last night by crash crews working desperately for four hours in 50-below-zero cold.

Those hurt were all military personnel, whose names were withheld by army authorities. They were reported recovering today at the Ladd field hospital.

Truman Starts Decontrol Of Housing Regulations; Price Ceilings Abandoned

WASHINGTON, Dec. 14 (AP)—President Truman put housing under the decontrol shower tonight, washing away the major controls of the Wilson Wyatt program and ordering new steps to aid rental construction.

The $10,000 sales price ceiling on new homes was abandoned and the $80 a month rental ceiling liberalized. The priority system on building materials was junked. The way was cleared for anyone, veteran or not, to build a house for his own occupancy with government permission.

"I am determined that a vigorous housing program will continue to be carried out in 1947," said a presidential statement.

"The techniques we will use are those that will work today. I am interested in results and I am convinced that this 1947 program will produce results."

The action followed in large part the recommendations of real estate and construction industry leaders who contended that more homes would be built without government restrictions than with them.

Every control Mr. Truman removed represented a reversal of the program advocated by Wyatt, former mayor of Louisville, Ky., who quit last week as housing expediter when the White House would not give him the authority and tighter rules he wanted.

Assistance Continues

The President said that while the reconstruction finance corporation will continue to assist producers of prefabricated housing and industrially built dwelling components it will do so "when it is warranted."

The RFC financing matter was one particularly in dispute, Wyatt wanted power to direct RFC to make prefabrication loans. He had asked for some $60,000,000 in such loans and gotten about $4,000,000. The President apparently settled that point finally by putting it up to RFC to determine what is "warranted."

Goal Set

The President fixed no specific housing goal for 1947. Wyatt's objective was 2,500,000 units started in 1946 and 1947, of which 1,200,000 were to be under way this year. Prospects are that something over 1,000,000 will be under way by the year's end.

Several questions remained unanswered in the presidential announcement. A major one was: What happens to the approximately 500,000 homes now under construction which builders expect to offer to veterans at a certain price?

NHA officials, only a few of whom were consulted in preparation of the new policy, said they could not supply the answer but "could not imagine" that the price lid would be removed from these houses entirely.

No Boost Seen

One NHA attorney said such houses would have to be delivered at the price for which they were approved for construction.

In making it possible for non-veterans to build, Mr. Truman said this will be allowed only if the owner plans to live permanently in the new dwelling.

Luxury-type housing will continue to be prohibited through a system by which each prospective builder must obtain a government permit.

$20,500 Cash Needed For Hospital Deficit

To prop up faltering finances of the Twin Falls county general hospital, the county commissioners held a pow-wow late Friday with County Attorney E. M. Sweeley, unofficially added $1,300 to his recommended $19,200 appropriation for a total of $20,500 to be issued in hospital warrants.

The boost was earmarked as money needed to provide "leeway"—$300 for payrolls, $1,000 for supplies. Procedure now will entail incorporating Sweeley's recommendations into a resolution declaring an emergency on hospital finances which will then be passed by the commissioners.

Maps Future Pay

When there is no longer money in the till to pay bills with, the prosecutor recommends that warrants be registered with the county treasurer for future payment.

At their emergency session Nov. 18, the hospital board set a figure of $70,000 as necessary to meet the bills present and future until Jan. 12, to the end of the fiscal year.

As regards this figure, Sweeley says: "I do not have the details upon which that request was based but assume it was made upon a study of the reasonably necessary needs of the hospital for the rest of the fiscal year."

Levy to Be Included

One means of keeping the hospital solvent, listed by the prosecutor among supplementary recommendations, is to include in the 1947 hospital budget as part of anticipated revenue the full one and one-half mill tax levy allowed by law.

Reckoned on the county's present assessed value, this would mean a return of approximately $41,000, of which roughly half would bolster weakened hospital resources when the taxes rolled in Dec. 21, 1947, the balance in June, 1948.

Working from the hospital bookkeeper's financial statement, Sweeley listed $44,229.34 as salaries pay-

Pauley Tells How Russians Cramped Trip

WASHINGTON, Dec. 14 (AP)—A bizarre story of a heavily-guarded tour in Russian-controlled Korea which produced threats that picture-takers should be shot but wound up in an exchange of daggers with a Soviet general and a farewell vodka dinner was unfolded today in the diary of Reparations Commissioner Edwin W. Pauley.

Pauley's diary of a six-day inspection trip through the northern (Soviet) zone went to President Truman with a report in which Pauley said it may be Russia's aim to force a Moscow-dominated government on all Korea before it agrees to withdraw its troops.

"Honor" Guard

The inspection group of 19 Americans was accompanied into northern Korea by a contingent of Russian soldiers armed with American "tommy" guns, dwarfing in size the White House secret service detail.

The Russians made direct and deliberate efforts to prevent the Americans from talking to Koreans, Pauley related, going to the length of "shouting down" American interpreters.

At one point a Russian general told him that if the Americans did not stop taking pictures "some of us might not even have the opportunity of being sorry we took them."

Trains Speeded

On a definite mission to inspect industrial plants, Pauley noted that "it is probably only a coincidence that the only time the train speeds up is when we are passing an industrial plant."

When the Russians said that a certain machine tool factory did not exist, Pauley sent Mr. Chang, his Korean interpreter, to try to find it. They finally found the machine shop, Pauley related, only to discover that it was next door to an electrical power substation from which all the transformers had been removed.

Court Ruling Upholds City Drinking Law

BOISE, Dec. 14 (AP)—A three-to-two opinion by the state supreme court today upheld the validity of Boise city ordinance making it a misdemeanor to "drink any intoxicating liquor of any kind" in a public place.

The ruling was on an appeal by Attorney J. B. Musser of Boise who last Jan. 11 announced his intention to take a drink of whisky in the coffee shop of the Hotel Boise in order to initiate a court case to test Idaho's liquor laws. Musser took the drink in the presence of city police officers who immediately arrested him.

The majority opinion by Justice Alfred Budge was concurred in by Justice Raymond L. Givens and District Judge D. H. Sutphen of Gooding, who was sitting for Chief Justice James F. Ailshie.

The dissenting opinion by Justice Edwin M. Holden, concurred in by Justice Bert Miller, held that the supreme court should not have passed upon the constitutionality of the anti-drinking ordinance.

Holden declared that the "judgment, nevertheless, should be affirmed because there is no conflict between the ordinance" and a 1939 liquor act.

Holden's semi-dissenting opinion noted that "the majority opinion expressly holds the legislature has not legislated upon the subject of drinking intoxicating liquor in a public place. The general law is silent upon this subject. There is therefore no conflict between the general law and the municipal ordinance."

Special Train Slated For Moscow Students

MOSCOW, Dec. 14 (AP)—A special train for Christmas vacation-bound University of Idaho students will be run to southern Idaho again this year for the first time since 1941.

Union Pacific officials said the train will leave here Dec. 20 for Pocatello and will return from there on Jan. 5.

42 Injured in Headon Crash For 2 Trains

SALT LAKE CITY, Dec. 14 (AP)—A special Western Pacific passenger train crashed headon into a freight train six miles west of here early this morning, injuring at least 42 persons, including three with serious wounds.

Robert A. Fuchs, 54, of Brenham, Tex., an attorney for the Texas farm bureau federation, was believed to be the most seriously hurt with a leg fracture and other undetermined injuries. He was trapped in the wreckage for 40 minutes.

The two trains, the passenger carrying 201 homeward-bound Texas and Louisiana delegates from the American farm bureau convention in San Francisco, ground together at 7:15 a.m., mountain standard time, J. F. Lynch of Elko, Nev., Western Pacific division assistant superintendent, said the freight engineer, Dennis McDenna of Salt Lake City, reversed his throttle before the crash, cushioning the impact and preventing greater damage.

The freight, a 14-car local, had been scheduled to turn into a nearby siding for the passenger to go by, Lynch said. He said the passenger train engineer, L. H. Sorenson of Salt Lake City, had slowed the train to about 12 miles per hour at the time of the impact.

The two locomotives were locked together in a jumble of wreckage, the freight engine a foot off the tracks.

One Pullman and a baggage car and the 12-car special were derailed, and plunged into a trackside ditch but remained almost upright. Most of the injured were in the derailed Pullman, but some passengers in other cars also were hurt.

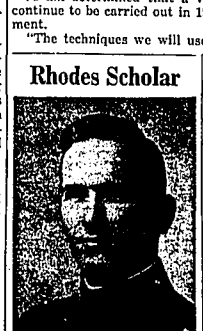

Man's Right Arm Severed in Train Mishap in Yards

Apparently hit by a train some time before 10:15 p. m. Saturday, Robert Taylor Matthews, about 45, Denver, was found lying unconscious in the Twin Falls Union Pacific railroad yards with his right arm severed. He was rushed to Twin Falls county general hospital.

Given "less than a 50-50 chance to live" by the attending physician, the railroad "extra-gang" worker was semi-conscious two hours later.

Matthews was supposed to have left for Shoshone with a crew of railroad maintenance men who completed their Twin Falls job Saturday, according to F. C. Farmer, depot agent.

Heyburn Man Wins Rhodes Scholarship

HEYBURN, Dec. 14—Named to a Rhodes scholarship today was Lieut. Amos A. Jordan, jr., son of Mr. and Mrs. Amos Jordan, Heyburn, who was first captain of the West Point cadets prior to his graduation from the academy last June.

Lieutenant Jordan was one of six successful applicants selected today in Spokane from a field of 18 entries from Washington, Oregon and Idaho.

When he heads for Oxford university, England, in quest of higher learning, his wife, the former Mar Dean Carver, Pocatello, will go along, Jordan said Saturday.

At the academy he sang solos with the choir, and as a member of the West Point boxing team for three years, won an intercollegiate championship in 1944.

Jordan was born in Twin Falls, graduated from Heyburn high school and attended both the University of Idaho at Moscow and the southern branch at Pocatello before entering the service.

Valuable Papers To Cross Nation

WASHINGTON, Dec. 14 (AP) — A priceless collection of original American documents will be taken on a swing across the country early next year on a special train to spark a nationwide drive against alien ideologists, Attorney General Clark said today.

"Liberty on Wheels," an exhibition of such landmarks in American history as the original copy of the bill of rights, will tour the 48 states in a specially constructed, fireproof train.

The exhibition, the attorney general said, "will give millions of Americans an opportunity to view such monumental landmarks in our history as the bill of rights, the emancipation proclamation, the original of the Gettysburg address and the notes in his own handwriting of Patrick Henry's immortal speech in which he said, 'give me liberty or give me death.'"

Governor Lashes Labor Secretary

JEFFERSON CITY, Mo., Dec. 14 (AP)—Gov. Phil M. Donnelly, D., of President Truman's home state, tonight denounced Secretary of Labor Schwellenbach for what the governor called "the continuous attempt of Washington bureaucrats to run the affairs of state government."

The statement released to newsmen was a reply to Schwellenbach's action yesterday in withholding a federal allotment of $277,500 to operate the Missouri state employment service. About 700 employees of the agency have not been paid since Nov. 15.

Plea of Innocent Entered in Death Of Pocatello Man

DENVER, Dec. 14 (AP)—Ronald F. Smith, 23-year-old Grand Junction police officer, renewed his plea of innocent and innocent by reason of insanity today in the fatal shooting of Dr. James K. Mullen in the Brown Palace hotel.

Smith appeared before District Judge Robert W. Steele and entered his plea through his attorney, Charles Mahoney. Jan. 6 was set as the date for determining the start of his trial.

Charges of assault to murder also have been filed against Smith, in addition to the murder charge in the death of Dr. Mullen of Pocatello, Ida. The assault charge involves the shooting of Phillip Van Fleet, Salt Lake City salesman, wounded at the same time Dr. Mullen was killed. This lesser charge will not be heard until after the murder case is heard.

Payoff

CHICAGO, Dec. 14 (AP)—Bruno Sherwin's hobby—archery—is still practical dividends when a package smashed a porch window for his home today.

Sherwin trawled out of bed and let fly with an arrow from the open window. The intruder was hit and fled, with a howl.

In his backyard Sherwin found a quiver, found a broken arrow and the tip was missing.

Harry Baisch, 43, Dies After Short Illness

Harry Baisch, 43, proprietor of the Baisch Motor company, died of an abdominal ailment at 3:20 a. m. Saturday at Twin Falls county general hospital after being ill for about two weeks.

Born Feb. 19, 1903, at Palisade, Colo., he moved to Idaho with his parents in 1906, grew up at Kimberly where he graduated from high school.

After attending the University of Southern California, Los Angeles, he came to Twin Falls where he bought out the former Lind Automobile company and started in business for himself about 10 years ago.

Just west of the present commercial garage at 305 Shoshone street south, he had been raising a new structure to contain all the latest wrinkles in modern automobile service. The building is nearing completion.

He was a member of the Twin Falls Methodist church; past exalted ruler of the local Elks lodge and a member of the board of Elk trustees; past president and past deputy district governor of the Lions club, and a member of the board of directors of the group.

Surviving are his wife, Mrs. Edith Baisch; a son, Lloyd, and daughter, Marilyn, all of Twin Falls; his mother, Mrs. Emma Baisch, and father, John Baisch, Twin Falls; four brothers, Arthur and Ralph, Hazelton; John, Twin Falls, and Walter Baisch, Springfield, O., four nephews and three nieces.

Last rites will be conducted at 3:30 p. m. Monday in Twin Falls mortuary chapel by the Rev. Donald B. Blackstone, Presbyterian pastor, with Elks lodge ritual to follow.

Burial will be in Sunset memorial park.

Big Crowd of Children See Santa Arrive

(From Page One)

sitting them on his knee while they played with the buttons on his red suit.

A few were afraid and some shed tears at the sight of the rotund bearded man. Other youngsters were bashful and some shied away at the possibility of meeting Santa. Others were bold and willing for the chance to get in a plug for the electric train, cowboy suit or new dollie they wanted for Christmas.

It was a mama's delight, too. Hundreds of promises "to do the dishes" or "bring in the coal" were extracted from the youngsters who were promised a return visit Christmas eve "if you are nice."

Santa enjoyed himself also. When interviewed after the crowd broke up, Santa said he was "thrilled at seeing so many good little children in Twin Falls" and a little tired and worn out from the enthusiastic reception."

Labor Heads to Outline Demands For Pay Boosts

PITTSBURGH, Dec. 14 (AP)—Labor's demands on management, as seen by representatives of 2,350,000 workers, will be formulated next week when the leaders of the CIO's three biggest unions gather around a common conference table and draw up plans for future contract negotiations.

The week-long sessions will bring together Philip Murray, head of the 533,000 United Steel Workers; Walter Reuther, president of the 900,000 United Auto Workers; Albert Fitzgerald, chief officer of the United Electrical, Radio and Machine Workers union with its 600,000 members and other men high in the executive circles of the three organizations.

Murray, also president of the CIO, pretty much wove the general pattern for new pay demands recently when he announced the CIO unions will use as their "guidepost" a survey that contended salaries can be boosted up to 25 per cent without increasing prices or reducing profits much below the wartime peaks.

Likely Prospects Listed for Head Of World's Bank

WASHINGTON, Dec. 14 (AP) — Three prominent Americans were mentioned today as possible choices for new president of the international bank while three other men were reported to have turned down the job.

A source closely associated with the bank said that at a brief directors meeting today these names figured in "purely speculative discussion":

John G. Winant, U. S. delegate to the United Nations economic and social council; James Forrestal, secretary of the navy; Herbert Lehman, former New York governor.

Another meeting of the directors was called for Monday and the informant said it was likely Eugene Meyer, Washington, who has submitted his resignation effective Dec. 18, will be asked to remain until a new president is decided upon.

Earlier persons associated with the bank said Undersecretary of State William L. Clayton, Secretary of Commerce Averell Harriman, and Graham Towners, governor of the bank of Canada, had turned down the $30,000 a year job. The salary is tax free.

Bilbo Denies Contribution To Campaign

(From Page One)

who subsequently won, and Wall Doxey, entered a runoff. Witnesses testified contributions were made toward the campaign "deficits" of Collins and Wall in the interest of gaining their support for Doxey, who was backed by Bilbo. The testimony was that $11,000 to $14,000 for Collins was paid to Cecil Travis, a campaign aide of his.

"That statement was wholly untrue," Collins insisted.

Denials also came from witnesses Collins had called to his hotel room when he learned Bilbo was coming for a conference with him, and from Miss Lura Harrison, a stenographer Collins had hidden behind a bedroom door.

Destroyed Notes

Miss Harrison said she had destroyed her stenographic notes but recalled what was said because Collins and Bilbo did most of the talking and the conference lasted "not more than five minutes."

Collins said when he learned that Bilbo was coming he hurried out and "collected all the witnesses I could get."

"I did this because I knew Bilbo," Collins said.

Senator Ferguson, R., Mich., asked what the witness meant.

"Well, I'd known that individual for about 35 years in politics," Collins replied.

"I could not retain my self respect and support any one he was for," Collins continued.

$25,000 Net Known

Wall told the committee he did not know about the contractor's $25,000 contribution during the campaign. He said that if he had, he would have pressed a whole lot harder for the $2,000 he claims is still owed him.

He added, amidst a roar of laughter from the spectators, that he told some friends en route to Washington he might ask the senate committee to help him collect it.

Builders Lauding Housing Decontrol

By The Associated Press

Officials of the home construction industry were in general agreement last night that President Truman's easing of housing controls would accelerate home construction, but some expressed belief that all control should be dropped.

Joseph Meyerhoff of Baltimore, president of the National Association of Home Builders, said the President's action "should unquestionably speed up construction of homes for veterans and others."

With a continued reasonable limitation on non-essential and deferrable construction and continued improvement in supplies of building materials, Meyerhoff said, a large volume of moderate priced homes could be built in 1947.

Minks, Foxes to Make Long Flight

PETOSKEY, Mich., Dec. 14 (AP)—A unique cargo of 843 minks and 44 white faced foxes were readied today for the initial leg of a 4,360-mile flight to Oslo, Norway, in a chartered plane Sunday.

Sponsor of the trans-Atlantic journey is Olma Brager-Larsen, a former Norwegian fur farm operator, who opened a similar business here in 1939 after he was forced to remain in this country because of the outbreak of war in Europe.

Brager-Larsen said today he planned to use the American minks and foxes to rebuild Norwegian breeding stock which was almost wiped out during the war.

Schedule Set On New Bus Route in City

Schedule of the new city bus route, to be put in service Monday is announced by J. Ted Davis, owner of the Twin Falls Motor Transit. Approval of the route was granted Monday by the city council.

Davis told city commissioners he planned to commence the route as soon as possible "to accommodate Christmas shoppers."

The new route will make loops of four different city areas and will have stops on Shoshone street within a block of the Main avenue intersection every 15 minutes. The bus will run from 6:15 a. m. to midnight daily, with the possible exception of Sundays and holidays, Davis said.

The schedule follows:

Leaving Knight's barber shop 15 minutes after the hour: Shoshone street east to Sixth avenue, east to Blue Lakes boulevard, north to Washington school, east to Locust street, north to Heyburn avenue, west to Elm street, north to Filer avenue, west to Harrison street, south to Sixth avenue north, south to Shoshone street, west to Model cafe.

Leaving Model cafe on the half hour—Shoshone street west to truck lane, south to Five Points east, south on Blue Lakes boulevard to Highland avenue, east to sugar factory road, north to Kimberly road, west to Five Points east, north on Main avenue to Shoshone street, east to Knight's barber shop.

Leaving Knight's barber shop 15 minutes to the hour: Shoshone street east to Third avenue, east to Fifth street, over to Sixth avenue, then east to Locust street, continue on Elizabeth boulevard to Maurice street, north to Addison avenue east, west to Washington school, north on Blue Lakes boulevard to Falls avenue, return to Filer avenue, then west to Fillmore street, south to Ninth avenue north, south to Shoshone street, west to Wyley drug store.

Leaving Wyley drug store on the hour: West to Main avenue, north to Fifth street, north to Harrison street, north to Filer avenue, west to Martin street, south to Addison avenue west and county hospital, east to Five Points west, south on Main avenue to Second street, west to Second avenue, south to Shoshone street, east to Knight's barber shop.

Affleck Attends Surgery Session

Dr. Dean H. Affleck, Twin Falls surgeon, who was recently notified of his election to the American College of Surgeons, left Saturday morning for Cleveland, O., to attend the 1946 clinical congress on surgery. He will also attend a special ceremony to receive his certificate of fellowship in general surgery. He will return Saturday.

To qualify for fellowships in the AC of S, a doctor must have completed at least three years special post-graduate training in surgery, or an equivalent apprenticeship, besides having gained a recognized proficiency in execution of surgical procedures and allied problems.

Traffic Fines

Overtime parking violations brought 20 motorists into municipal court to pay dollar fines. J. R. Jones paid a $2 fine for improper parking.

Those assessed $1 each were A. O. Finley (two), D. E. Reed (two), C. L. Gentry, A. W. Schrank, Jim Thompson, Paul Hansen, Home Lumber company, A. L. Houghteling, Mrs. Victor Nelson, LeRoy McNeily, Pat Cochran, C. L. Wilkins, Clifford Kinman, Mrs. George Harmon, jr., Ross Bevan, J. H. Breckenridge, Clarence Nye, David Boden, H. Alexander and Ida Adams.

Deafened Now Hear With Tiny Single Unit

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music, and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Beltone, Dept. 5006, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Scandinavian Foods Featured at Dinner

More than 150 lutefisk fans attended the annual dinner sponsored by the Dorcas society of the American Lutheran church. It was the first such dinner since before the war.

Scandinavian dishes served included fattigmand, spritz rosettes, lefse, potato bread and Norwegian sweet soup.

Mrs. Ernest Bjork was general chairman. Gordon Figge, pianist, provided dinner music.

Writer Talks at Gooding Rotary

GOODING, Dec. 14—Guest speaker at the weekly Rotary club meeting was Letha Webb Tester who related experiences as a free lance writer. Mrs. Tester outlined material she has had published in national magazines concerning local personalities.

She also told of the Idaho Writers' league and of the local writers' club organized here recently.

Hugh Wilcox, United Air Lines official, also spoke at the meeting. He is manager of the UAL at the Gooding airport. The business session was conducted by Fred Vandergraft.

CHIMNEY FIRE

BUHL, Dec. 14—The fire department was called to the Dick Burkholds residence, 221 South Seventh street, to extinguish a small blaze caused by a piece of wood catching fire in the bottom of the chimney. Little damage was done.

Blue Lakes Club Seeks Road Plan

Blue Lakes country club directors, during a meeting Friday evening, authorized President Thomas Peavey to engage the services of an engineer to survey the grade leading to the Blue Lakes area and provide a cost estimate on construction of a 30-foot gravel road.

This contemplated road would enable traveling to and from the scenic section with ease and would be the first step in a development program, which would also include a club house and other improvements.

Kimberly Sheepman Officer of Registry

Royal V. Starr, Kimberly sheepman, has returned from Chicago where he was reelected vice-president of the Karakul Fur Sheep registery at the organization's annual meeting. While in Chicago he also attended the International Livestock exposition.

Starr, who was Idaho's only representative at the registery conclave, said that a competitive pelt show was held in conjunction with the business meeting.

Officers Ask State Handle Drivers' Law

"Idaho at present has one of the best drivers' license laws of the 48 states, but it has been unable to function," Chief of Police Howard W. Gillette said Saturday after returning from Boise where he and other members of the legislative committee of the Idaho Peace Officers association conferred with Gov.-Elect C. A. Robins.

The committee recommended that administration of the law be returned to the department of law enforcement from the county sheriffs to whom it was delegated in 1943. The committee also recommended that "teeth" be put in the law and that state police be placed under civil service.

"The drivers' license law is a means by which control can be established over driving," Chief Gillette said. "It isn't a cure-all, but it could certainly help to reduce accidents. Right now licenses can be procured by mail or by telephone. When the law was delegated to the sheriffs, no provisions were made for the financing of its administration."

Other members of the legislative committee conferring with the governor-elect were A. L. Oliver, Pocatello police chief and association president; Robert Pugmire, Pocatello police department, chairman; and Sheriff Earl Clayton, Shoshone. Eldon E. Beck, head of the Idaho chapter of the national safety council, also attended the meeting.

Chief Gillette said the governor-elect was "very sympathetic and interested" in the proposed legislation."

Annulment Asked For Daughter, 16

Annullment of the marriage of a daughter, 16, was sought Friday by Claudia M. Andrew, her mother, in a suit against Cleatus Hicks in district court here.

Mrs. Andrew's suit stated the daughter, then 15, wed Hicks July 4, 1946, at Aberdeen, Md., without parental consent. She requests the daughter's former name, Norma Andrew, be restored.

Attorneys for the plaintiff are Rayborn and Rayborn.

A suit for divorce also was filed, Glarys W. Wooten against Elmer S. Wooten. The allegation was cruelty. They married Oct. 18, 1941, at Elko, Nev. Her attorney is J. H. Blandford.

POT SHOTS

HITCH-HIKING REPRESENTATIVE

Dear Potso,

It probably isn't consistent with the dignity of a U. S. representative, but hitch-hiking is a very practical way to get places, John Sanborn, Hagerman farmer and representative-elect, found out last Friday.

Sanborn flew into Gooding airport and was stuck for transportation to his Hagerman home. He questioned several persons at the airport and finally hitched a ride as far as Wendell with a Twin Falls man.

There the congressman-to-be was dropped off to shift for himself in getting the extra 14 miles to Hagerman.

EXCUSE FOR SHINER

Dear Pot Shots:

I thought I'd heard all the excuses for black eyes—running into doors, chopping wood when a stick flew up to strike the orb and dozens of others. But Max Wickham, 12-year-old Twin Falls boy, came up with a new one and vows that it's the truth.

The possessor of one of the blackest "shiners" in town, Max says he was hit in the eye with a playmate's heel. His story is that he and a group of friends were playfully scuffling when he got a heel (it looks like it was shoe and all) in the eye. The trouble is there were so many legs and arms mixed up in the fracas he doesn't know which heel to blame.

WHAT'S UP, AL?

Dear Pot Shots:

Don't you agree that Al Capp owes his readers an explanation for the obvious break in continuity in which Li'l Abner suddenly appears in Washington, D. C., in the minor loans committee room of Jack S. Fogbound?

Only one day before Li'l Abner had been engaged in the "most thrilling love scene of all time" (for the umpteenth time) with one Jinx Rasputinberg in Slobbovia.

Mr. Capp used at least one panel to show the arrival of the hero in Slobbovia. But his transition back to Washington is so abrupt it defies imagination.

Gooding Farm Labor Deficit Set at $6,000

GOODING, Dec. 14—Still unpaid at harvest season's end was $6,000 in debts owed by the Gooding county farm labor sponsoring association's declared Ralph Faulkner, 1946 association chairman, subsequent to the annual organizational parley held here Thursday.

During 1946, the group paid off $14,000 of the $20,000 indebtedness which construction of labor camps at Wendell and Gooding last year left on the books at the close of that season.

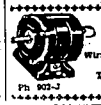

Unwilling to let the remainder of the debt hang over the association next year, members conferred with the county commissioners Thursday on ways and means of paying the bills but were given no encouragement, are now considering a levy on association members, according to Faulkner.

Elected next year's directors were Ernest E. Fields, John Arkoosh and Tony Wolfe, all of Gooding; R. M. Gunning and Charles Renfrow, both of Wendell. The new panel will select officers at a parley tentatively set for the forepart of this week.

Relief Nears After Floods In Northwest

SEATTLE, Dec. 14 (AP)—Relief for the flood-ravaged White river valley, where nearly 1,000 families have been evacuated and damage has mounted into the millions of dollars, was forecast today by the weather bureau, which said dropping temperatures at higher elevations and decreased rainfall should check rampaging streams within the next 24 hours.

Whether the anticipated recession in the worst western Washington floods since 1934 would be more than temporary could not be predicted by the weather forecasters, who reported a new storm over the Pacific appeared to be increasing.

At Portland, the weather bureau predicted that virtually the entire Willamette valley would be endangered but no major damage was expected above the lowlands.

Residents along the Naches and Yakima river lowlands have been advised by Paul Taylor, reclamation bureau hydrographer, to be on the alert because of heavy rainfall in the mountains.

Flood crests of the Spokane, Snake, Clearwater, Walla Walla and Umatilla rivers in eastern Washington and Oregon were reported to be subsiding.

Focal point of the flood menace, however, was in the White river valley where the American Red Cross reported that one of every five homes in the Renton-Kent-Auburn area had water covering main floors and more than 200 farms had suffered "extensive damage."

Total Disability Insurance Offer Opened for Vets

Total disability insurance income benefits may be added to the national service life insurance by veterans' proof of good health and payment of an extra premium, W. C. (Jack) Nuzman, veterans administration contact representative, said Saturday.

Premium rates for the disability range from six cents to 94 cents a month per $1,000 of insurance, depending upon the insured's age and type of policy, he said.

Disability benefits are at the rate of $5 a month for each $1,000 of insurance and are payable after the veteran has been totally disabled continuously for six months or more. The monthly benefits will continue to be paid as long as the insured remains totally disabled.

Pupils Begin 16-Day Holiday on Dec. 20

Twin Falls city schools will have 16 days Christmas vacation.

Superintendent A. W. Morgan said that last classes this year will be held Friday, Dec. 20. Vacation will begin Saturday morning and continue until 8 a.m. Jan. 6.

Tea was known in colonial America as early as 1670.

Jerome Scouts Pass Advancement Tests

JEROME, Dec. 14 — Tests for advancement in rank to second class Scouts were passed by members of troops 38 and 38 at a recent meeting at the home of LaVern Thomason.

Attending were Stanley DeLapp, Arlyn Crouch, Marvin Drake, Charles Andrus, Jr., Kelly Thomason, Larry Neilson and Calvin Miller. All the boys passed the tracking test and Thompson, Crouch, Neilson and Miller passed the fire-making and cooking tests.

IOOF Rites Held For E. B. Hughes

GOODING, Dec. 14—IOOF rites were held for Edward B. Hughes at the Thompson chapel with Dr. H. H. Hayman, Caldwell, in charge. Music was provided by Mrs. Otto C. Joslin.

Active pallbearers were Herbert Meyer, Jim Henry, William Cady, Archie Noll, E. L. Stilson, Rafe Lemon. Honorary pallbearers included Dr. J. H. Cromwell, Alvan Thompson, W. G. Bissell, Branch Bird, Jesse Crowe, all of Gooding, and Presley Horne, Caldwell.

Interment was in the Elmwood cemetery with graveside rites conducted by an honor guard of patriarch militants.

Ida Osterhout, 73, Passes at Burley

BURLEY, Dec. 14 — Mrs. Ida Elizabeth Sparks Osterhout, long time Cassia county resident, succumbed early this morning at the home of a son, Woodrow, here following a lingering illness.

Born Feb. 16, 1873, she married Benjamin Osterhout at Albion, March 15, 1890. He preceded her in death in March, 1944. A member of the LDS church, Mrs. Osterhout lived in Cassia county most of her life.

Surviving are five sons, Wayne, Aberdeen; Merlin, Ogden, Utah; Terry, Shelley; Wesley, Declo, and Woodrow, Burley; one daughter, Mrs. Thelma Dreyer, Hollydale, Calif.; three brothers and six sisters.

Services will be at 2 p.m. Wednesday at the Declo LDS church with Bishop Roy Banner officiating. Friends may call at the Burley funeral home until time of services. Burial will be in the Declo cemetery.

Tourneys Set for Chess, Checkers

"For so long as any enthusiast is able to sit over a chess or checker board," according to Mel Schubert, the Twin Falls Chess and Checker club will be hosts here to all Magic Valley players of these games Sunday, Dec. 29.

Schubert, recent participant in the masters' reserve chess tournament in New York, N. Y., will play a simultaneous exhibition with all comers. Other scheduled events include a checker tourney and a chess tourney which will be divided into three classifications of players: Juniors, under 18 years of age; seniors who play a strong game, and seniors who play an average game.

"Kibitzers" and spectators, including women, will be welcomed, Schubert said, at the session to begin at 2 p.m. at a hall to be announced later.

Life in MAGIC VALLEY

By INEE PUCKETT McEWEN

They call him "Alvie" Knight, and he's a pioneer barber of Magic Valley, Idaho specializes in colorful barbers. There is one in Boise who always runs his

McEWEN

hand over a client's head and says gently, "Now how does your wife want this cut?" There is another in Pocatello who saves the hair of his customers and stuffs mattresses with it.

Mr. Knight didn't own up to any of these quaint habits, but he admitted he knew the barber college yell:

"Scrape his chin,
Scrape his jaw,
Leave his face,
Rah! Rah! Rah!"

Then he told us he'd been barbering in Magic Valley since 1912, which means that Knight, though he doesn't look it, has wielded a clipper and razor on several generations of south Idaho citizens. "What's one of the outstanding incidents of your barbering days?" we wanted to know. "Well, one of the funniest things," he said, "was when Clint Evans was coach at the high school. One day he came in for a haircut as we were going over our books. Clint said he bet he could guess how much we had made for the year, so we took him up, and by gosh, if he didn't come within 50 cents of hitting it right!"

Neither razors nor strops are what they were, Mr. Knight admitted. The finest razors come from Germany of course. He said a barber could get addicted to a certain strop and use it for years. "Time just improves 'em," he told us.

"Got any advice to people about how to treat their hair?" we wanted to know. Mr. Knight came right back with an answer to that one. "Keep it clean."

According to our pioneer barber, the notion that his trade isn't affected by business slumps and depressions is all wrong. "Yes, they say hair keeps right on growing whether times are good or bad," he remarked genially, "but just because a man gets a mane like Buffalo Bill, is no sign he's going to spend money in hard times to have it cut."

We liked "Alvie" Knight. He was friendly and modest; in fact, he was more eager to tell us about Mr. Babbe's fine collection of china than about his own business. Both of Knight's sons are barbers with their father. Long may their clippers hum on the skulls of Magic Valley's noble males!

This is a love story which began, and blossomed, on the streets of Twin Falls. Boy met girl in a cafe, and when we first beheld them, each was "wrassling" a big, but none-too-tender steak. Watching them from a booth nearby we were struck with their bright young radiance. Neither was just an average looking youngster. The boy was thin faced, with black hair and intelligent eyes. The girl looked like something sweet and lush from long ago, when women neither smoked, screeched, or put war-paint on their nails and faces. Even her frock had a kind of simplicity quite different from the usual slick-and-glossy mode.

They were obviously in that self-conscious state when young people have just met and are trying hard to impress and please each other. The girl looked up under her lashes with a shy smile. The boy talked with zest. Neither ate much.

We had to leave before their dessert came. Somehow, their charm and youth touched us. Although that first meeting was way last summer, we didn't quite forget them.

Then, in the autumn, we saw them again on our trips to Twin Falls. They were going into a lunch place, talking at the curb, walking down the street. Once we met them pushing through the rain. The boy was smiling his bright smile, the girl's fresh cheeks pink and round. It was plain by the way they held arms and looked at one another, that the friendship had really progressed. The sight of these two wholesome, happy kids together made us happy for quite a spell.

Last week, wading through the December wet to get a pair of slippers at the "Idea," we crossed their trail again. This time it was the young man—alone. He came from behind the shoe counter and said with a gracious, friendly air which ought to soon get him a promotion —"What can I do for you?"

While he got the slippers and fitted them we thought, "Now the fragments of this little romance are beginning to fit together. Now we know where he works, and at what!" One must be cautious about approaching the tender emotions of young people, but we took the chance. A number of times we had seen him about town with a charming girl, we said, we thought her unusually attractive because she was so much like the fresh, uncalcimined and unatuecc'd damsels of our youth. The young man beamed enthusiastically. He agreed with every word we said. "I've been hunting for a girl like that for 20-odd years," he said. "In the spring we are going to get married!"

So that's the story of two charming youngsters, and their romance which began and flowered, in good old Twin Falls. We hope Life is kind to those kids; that the young man gets stepped up in his job, that they marry in the spring, and live happy ever after.

SINGLE PARAGRAPH STORIES

"How much are they?" quavered the old lady, as she fingered a loud little Sloppy Joe shirt at C. C. Anderson's. When the clerk answered she turned to her husband. "What do you think, Hunt?" she asked anxiously. The old man looked at her through faded eyes. "Better get it for her, mother," he said, "we may not be here next year to buy her a present."

"Well, guess I'll be goin," said the cow buyer in the Perrine lobby. His grizzled friend looked at him in exasperation. "Now whatcha wanta go homs for?" he demanded. "All you'll do is fight with your wife!"

Battle Areas Become Sites Of Smuggling

AACHEN, Germany, Dec 14 (AP)—The three famous battle areas of Ardennes, Huertgen forest and Aachen—engraved into the history books two years ago with the blood of British and American soldiers—today have become the scenes of a great smuggling operation.

It is estimated that more than $1,000,000 worth of illicit goods monthly are crossing the German-Belgian-Netherlands frontier.

British border guards say that much of the smuggling is being done by allied soldiers—British, American, Belgian and Polish. Some of these men may once have fought in these same areas, although almost all the soldiers who saw combat here either have gone home or are sleeping in nearby Belgian cemeteries.

This battered city of Aachen (Aix-La-Chapelle), first large German city to fall to American arms, is the hub of the smuggling operations, so large that the chief British intelligence officer of the area described them as "fantastic."

The loot going into Belgium includes jewels, furs, radios, kitchenware, automobiles and needles.

Buhl Kiwanis Hears Address on Africa

BUHL, Dec. 14—Wayne West, recently discharged from the army, spoke on his experiences while stationed in Africa at the weekly Kiwanis meeting. He displayed a rug and other articles brought home from Africa.

Guests included Pharris Kail, *Twin Falls; I. T.* Cotton, Boise, and Roy Hopkins, Buhl. Visiting Kiwanians were C. H. Jackson and John D. Platt, both of Twin Falls.

BURLEY PAIR GET LICENSE

SALT LAKE CITY, Dec. 14 (AP)—A marriage license was issued today to Robert Walter Schenk, 23, and Fredona Woolstenhulme, 25, both of Burley.

Final Honor Paid Guy M. Simpson

Funeral services for Guy M. Simpson were conducted at 2:30 p. m. Saturday in White mortuary chapel by the Rev. O. L. Clark and the Rev. Donald B. Blackstone, Presbyterian ministers.

Solos were sung by Mrs. O. A. Kelker, accompanied by Mrs. Guy Shearer.

Pallbearers were Bruce McMillan, Ernest Koch, Carl Irwin, M. P. Kenworthy, C. E. Grieve and T. J. Douglas, Twin Falls.

Burial was in Twin Falls cemetery.

Boy, 14, Paroled in Buhl Forgery Case

DeLane Anderson, 14, Clover, Friday acknowledged his guilt on a felony charge, forgery, before District Judge James W. Porter here.

Judge Porter ordered sentence withheld for one year and the youth was paroled to the immediate custody of his father, Andrew Anderson, with recommendation the boy's schooling be continued.

The offense involved passing a $12 worthless check at Buhl Nov. 30.

Jerome Polio Drive Aids Hospital Fund

JEROME, Dec. 14—The March of Dimes campaign will start here Jan. 1, Joe Titus, chairman of the Jerome polio chapter, announced. Since funds will be donated to the new Jerome hospital for construction of a polio ward, the drive should be specially important to Jerome residents, Titus pointed out.

It is hoped that enough money will be raised here to purchase the necessary equipment for such a ward.

County Views Warrants for Hospital Debt

(From Page One)

able for December and the fore part of January, plus costs of supplies for November, December and January.

Income $500 Daily

Adding in a $500 per day hospital income estimate, the prosecutor finds $36,207.93 with which to meet the above debts to accrue by Jan. 12.

Included to the last penny is the $19,773.93 return on the .7 mill levy specifically set last fall by the commissioners for "hospital improvement."

Apparently overlooked in this recommendation is the fact that taxes due Dec. 21 amount to only 50 per cent of total levies due on real property, the balance of income from this .7 mill rate will not be due the treasurer until next June.

High Costs Cited

No blame was laid to any one factor for the present condition of hospital finances by the prosecutor. He explained that increase of expenses over estimates stems from increased prices, building alterations and maintenance and wage increases tacked on the budget to get and hold qualified personnel.

Figuring hospital income at $500 a day, Sweeley noted that this return would probably swell hospital assets to $13,500 more in resources than necessary to meet bills from now until Jan. 12.

Since this sum is not all in cash, he pointed out, hospital warrants will have to be registered pending payment of further money into hospital funds.

3 Ways Listed

Other means of augmenting "the cash supply (which) has been depleted and should again be built up" were listed as follows:

Admit out-of-county patients only when space is not needed by county patients; hospital rates should be given competent study and set up on a sound basis from which changes can be inaugurated as conditions may require; no indigents should be admitted as patients without sanction of county officials.

The two new members of the hospital board, Gan L. Thompson and Sheldon Pulley, both of Buhl, were sworn in by the county commissioners Friday.

Stepfather Fined In Battery Charge

A felony charge, assault on his 10-year-old stepson with intent to commit murder, was dropped against Leslie J. Dorsey, Buhl, Saturday, when District Judge James W. Porter granted the motion of Graydon W. Smith, deputy prosecuting attorney, for relief from filing an information.

Dorsey was arraigned in probate court instead on a charge of battery against his stepson, paid a $25 fine and $5.40 costs. His brother-in-law, Clarence M. McRae, attorney from Excelsior Springs, Mo., appeared in court and promised employment for Dorsey.

"Extenuating circumstances are present which would in my opinion make it impossible to obtain a conviction of the crime charged," Smith said in his motion.

The charge was brought against Dorsey in October.

Buhl, Hansen Report Theft of 2 Vehicles

A pick-up truck, a two-door sedan, a mail box and a license plate composed the assortment of thefts reported to the county sheriff's office Saturday.

Kenneth Engel, Hansen, reported the loss of a half-ton pick-up truck. A two-door sedan belonging to Raymond Heyer, Buhl, also had been taken, according to Buhl police. E. E. Lancaster, Twin Falls, said his mail box was gone, board and all.

Loss of the license plate was reported by George Nauman, Hansen, who said the theft had occurred sometime between Nov. 16 and Dec. 3.

Phone Survey To Stimulate Chest Income

An extensive telephone survey for the Community Chest will be launched Monday to expedite gifts to the annual drive and encourage workers to complete their solicitations, Bert Weston, drive chairman, said at a meeting of the Community Chest executive board.

The proceeds of the drive climbed over the half-way mark Saturday as $489.50 was added to the fund. The total Saturday night was $8,508.05, according to Mrs. Catherine Potter, secretary.

Only one of the 14 teams has completed its solicitation, Mrs. Potter said. The teams of Jim Reynolds has finished its part of the campaign and several others are nearly completed.

The Community Chest board approved expenses for the campaign and mapped plans to expedite the completion of the drive.

The goal of $17,000 will be distributed among five participating organizations — the Boy Scouts, Camp Fire girls, Salvation Army, YWCA and Parent-Teacher association hot lunch program.

Cashier Returned to Face Money Charge

Sheriff W. W. Lowery returned Friday night from Calexico, Calif., with N. E. Nelson, wanted for allegedly embezzling $250.44 from Detweiler Bros., Inc., here in November while a petty cashier.

In a felony complaint filed in probate court Nov. 22 by Claude H. Detweiler, Nelson is charged with taking the money "on or about Nov. 18."

4 Boys, 17, Enlist

Enlistment of four Magic Valley youths in the U. S. marine corps has been announced by T/Sgt. Nick Arkadis, in charge of the recruiting station here.

Enlisting for three years service were Floyd C. Tate, 17, Kimberly; Hercial E. Snider, 17, Hansen; Henry L. Allen, 17, and Junior B. Callow, 17, both of King Hill.

Santa Makes Early Call on Lad Who's Ill

If you don't think there's a Santa Claus, just ask Johnny Mickelson, 15, of Jerome, for whom there will be two Christmases this year.

Friday night he was showered with $100 and scores of presents in a pre-Christmas party arranged for him by Bob Lewis, who conducts a matinee program over radio station KVMV in Twin Falls.

Three weeks ago Lewis learned that Johnny was ill, with rheumatic fever when a sister requested dedication of a number to Johnny. Then came other requests for dedications as others learned of Johnny's plight. Finally Lewis decided on a party for him.

He told his plan to listeners, the Jerome Chamber of Commerce and Scoutmaster Walter Thueson of troop 36 in Jerome of which Johnny is a member. They all went for the idea.

Cash and presents of games, books, model airplane sets, a wrist watch, a shotgun and many more arrived.

Mayor Bert A. Sweet of Twin Falls and several others contributed an automatic record player for Johnny. That gift alone cost $80.

Friday night, Bob Lewis and Scoutmaster Thueson went to the Mickelson home with the presents. Johnny's mother and her five other children were on hand.

"I'm the happiest boy in Magic Valley," Johnny said, adding, "I hope everyone has as fine a Christmas as I'm having. I'm feeling much better now, and I've got to get well quick so I can use all these presents," Johnny remarked.

$1,000 Drop Noted In Building Plans

Applications for building permits filed at the city hall last week totalled only $13,619, a slump of almost exactly $1,000 from the previous week.

Permission to erect a 22 by 18 dwelling on Gardner avenue in Sylvia Vista addition was requested by Alfred M. Parrott, 819 Fifth avenue west. Estimated cost was listed at $1,000.

Another application asked permission to move an 8 by 10 sheet iron shed from outside the city to 270 Van Buren street for temporary storage use. Bruce Newman filed the request.

Final Service Held For Buhl Resident

BUHL, Dec. 14—Final rites for Mrs. Mammie Stigall were held at 2 p.m. today at the Baptist church here with the Rev. E. B. Meaderis officiating.

Vocal duets were sung by Mr. and Mrs. Henry Woodruff, accompanied by Mrs. Florence Wilson.

Pallbearers were Harry Lindsey, John Dennis, Wayman Bell, Kenneth Lacy, Lincoln Hyder and Alvin Ewell, all of Buhl.

Interment was in Buhl cemetery.

$18 Fine Paid for 'Peace Disturbance

Charged with disturbing the peace, O. B. Kasinger was fined $16 and $3 costs Saturday by Municipal Judge J. O. Pumphrey. The arrest was made at 9:30 p.m. Friday in the 100 block of Second avenue south.

Charles Haines, arrested on an intoxication charge at 3:50 p.m. Wednesday, was released on provision he leave town.

Ahlmquist to Head Buhl Masonic Lodge

BUHL, Dec. 14—Leonard Ahlmquist was elected master of the Buhl lodge No. 53 A. F. and A. M. at the regular monthly meeting. Other officers include William Roberts, senior warden; Harry Weaver, junior warden; Lloyd Byrne, treasurer, and John Rhoades, secretary.

Masons and Eastern Star members will hold a joint installation of officers at the Masonic hall Tuesday, Dec. 17. The public is invited.

Company Seeking Additional Water

BUHL, Dec. 14—Additional water supply at the Pictsweet Canning company to be used only in emergency was applied for by Oral Scholl, manager, at the monthly meeting of the Buhl city council.

Petitions were granted for W. M. Fuller and J. P. Ryan to be included in the city limits. Irving E. Kozalk and James F. Perchal were each granted an electrician's license from Nov. 15 to Dec. 31.

A new ordinance providing for changes in present electrical wiring regulations was proposed by Floyd Diass, Leonard Howard and F. F. Givens. The council took the matter under advisement until the next meeting.

3 Suits Filed for Hearings in Court

A divorce action, a suit to quiet title, and a civil suit to recover a judgment of $3,956.09 for merchandise purchased on an open account were filed in district court Saturday.

Charging cruelty, Lauvisa Fairchild filed suit for divorce from Ether Fairchild. They married in Twin Falls, Oct. 31, 1914, have seven children, all of legal age. Rayborn and Rayborn represent the petitioner.

Suit to quiet title to 80 acres southeast of Buhl was filed by I. W. Reed against Mr. and Mrs. Charles W. Reed. James R. Bothwell is attorney for the plaintiff.

Boise Payette company asked judgment of $2,950.09 against Thousand Springs Air Park, Inc., for merchandise sold on an open account between Feb. 13 and Nov. 28, 1946. Pete Leguineche, Boise, and Ariel L. Crowley, Ontario, Calif., represent the Boise Bus company.

Report Given on Gooding 4-H Work

GOODING, Dec. 14—Net income for all Gooding county 4-H club members during 1946 was $3,253.98, County Agent Robert E. Higgins announced this week. His report shows that 161 boys and girls completed projects in dairy, beef, sheep and swine in the agricultural enterprises and in sewing, nutrition and canning in the home making division for a total project valuation of $11,340.33.

In addition, two girls in the county sent exhibits to Portland to the Camp Plummer exhibition. The county livestock and home economics judging teams placed first at the district fair also, the county agent said.

Sheriff Sees Increases in Motor Thefts

As a word to the wise, based on his observations along the California coast, Sheriff Warren W. Lowery Saturday urged Magic Valley residents to cooperate in the battle against thieves who steal cars or their contents.

"The crime wave in this type of thievery has become so bad at Long Beach that an ordinance has been passed fining motorists who leave their cars unlocked with the keys in them," Sheriff Lowery said. "This is actually aimed at making it harder for thieves to operate, as a car left parked with the keys in it is an invitation for trouble."

Sheriff Lowery pointed out that although no such drastic measures will be employed in Idaho, it shows what can happen, and motorists should exercise every precaution in protecting their property. Particularly during the Christmas season, persons are likely to leave valuable gifts and other property in their cars.

The official, who has just returned from California to return a prisoner, indicated that the criminal element, which is "wintering" in California, may be expected to move northward as spring arrives, as that an increase in crimes of this type may be expected inland.

Gooding CAA Radio Station Status Mixed

GOODING, Dec. 14 (AP)—The status of the CAA radio station at the airport here was up in the air today as personnel prepared to close shop and go home while Washington reports indicated proposed abandonment had been deferred.

C. E. Abshire, chief communicator, said the situation had ceased operations at 11:30 p. m., Dec. 5 and that his crew was following orders to close the station permanently.

However, an aide to Sen.-elect Henry Dworshak told reporters in Washington that the proposed abandonment would be deferred until private airlines can provide qualified personnel to man the station.

The proposed closing of the station followed a civil aeronautics authority order that United Air Lines show cause why its request to serve Twin Falls from the Gooding airport should not be denied. UAL had taken no action by early this morning.

Dworshak's office received a letter from J. K. Cunningham, director of communications, saying Robert Bedinger, regional CAA administrator at Seattle, agreed to retain the station personnel at Gooding "a very short period," until UAL personnel could receive authorization to make official weather observations.

Columbians Case Killed by Court

ATLANTA, Dec. 14 (AP)—A charge by Columbians, Inc., that Prof. James H. Sheldon usurped police powers in investigating them was thrown out of court today after the judge was told that the anti-nazi league official ought to be honored instead of prosecuted for trying to "break up this infernal organization."

Columbian President Emory Burke, himself under grand jury indictment charging usurption of police authority had brought the same charge in a warrant against Professor Sheldon, of New York, executive chairman of the league.

At Filer high school he won letters in football, basketball, track and boxing. (Staff engraving)

Holiday Gifts Collected for County Home

With members of the Dan McCook circle of the Ladies of the GAR acting as hostesses, the residents of the Twin Falls county home will receive a visit from Santa Claus on Christmas eve. Gifts will be distributed from around a Christmas tree.

All types of presents are desired at the home from aprons to house slippers, according to Mrs. Ida Sweet, president of the circle.

"All contributions may be left at the Times-News editorial room. We wish to urge the people from Twin Falls to donate to the holiday season for the county home residents," Mrs. Sweet said.

Anyone wishing to contact the committee in charge of the party may telephone Mrs. Vivia Lawson at 975-NJ; Addie Moore at 1161-R. Bertha Clyde may be contacted at 804 after 7 p.m.

Rescuers Find 37 Bodies in Rubble Of N.Y. Tenement

NEW YORK, Dec. 14 (AP)—Rescue workers whose own lives were in jeopardy while they recovered 37 bodies from the wreckage of a Manhattan tenement that collapsed early Thursday were told late today that their job was finished.

W. T. Whelan, deputy chief police inspector, announced that no other occupants of the tenement were known to be missing after six bodies had been removed and identified today, and that further digging would only risk additional lives.

"Brass" Nose

Tycho Brahe, famous Danish astronomer, had a brass-tipped nose. He carried cement with him constantly, because the nose had a habit of falling off.

The six-story tenement, housing 22 families, collapsed after a fire in an adjacent abandoned ice plant had caused a wall to fall, bringing down part of the tenement with it. The victims were buried under a pile of rubble and broken masonry two stories high. More than 30 persons were injured.

Much of the dogged rescue work progressed while weakened sections of the tenement skeleton and fire-weakened ice plant threatened to fall on the workers.

night or early Saturday morning at Babbel's clothing clinic, 124 Third street east; Morley's gasoline station, Five Points east; and Claude's hamburger shop.

Material damage was done to their buildings, but the pair was unable to gain entrance," said Gillette. At the Twin Falls army store, 560 Main avenue south, however, the break-in resulted in the theft of two pairs of socks and two knives.

2 Homes Ransacked

Also "ransacked from cellar to attic" were the residences of Tony Bobier, 235 Seventh avenue east, and Robert R. Spafford, 245 Seventh avenue east.

Damage was done by breaking out glass, and the missing articles included a wristwatch and a small amount of cash.

Gillette said that from indications, the residence break-ins were made by Lester.

Car Damaged

Collision of cars driven by Mrs. Mary Ruth, Filer, and Walter Hamcirath, 175 Taylor street, Twin Falls, at 1:45 p. m. Saturday resulted in a torn right rear fender for Mrs. Ruth's sedan, no harm done to the other car nor to either of the principals, according to police who investigated the accident.

Mishap occurred at the intersection of Second avenue south and Shoshone street.

Both Parties Get Club's Criticism

WASHINGTON, Dec. 14 (AP)—Republicans allegedly "marching forward to the horse and buggy days" and "a bankrupt Democratic circus folding up after a spectacular run of 14 years" were roasted alike tonight at the winter dinner of the Gridiron club.

President Truman, the Duke of Windsor and some 500 other guests were invited as the club members, Washington newspaper correspondents, poked fun in song and skit at the political scene.

Times-News Public Forum—Voice of the Reader

Groups Won't Live and Let Live, Old Timer Complains

Editor, Times-News:

When I read the Forum I get the feeling of Jefferson—"I can't agree with most of the expressions, but I would be the last man on earth to deny them the right to speak."

The first Burleyite sure "rang the bell" in her last argument about the beets. What the Forum needs is a good referee, for some debaters don't know when or how to make an argument and keep on talking after the game is lost; others don't know the rules and no holds barred.

Someone has said, "What this country needs is a good five cent cigar." Well, he was a smoker. The drunk would say "what this country needs is another drink"; the religious fanatic would say "we need more religion"; the Republicans say it's another of their administrations that is needed; the Democrats say "more OPA"; the farmers say "more Grange"; the labor unions say "more wages," etc.

The trouble is, each group is sincere. They are willing to live but do they let live? Most of us are like the old Quaker who said to his wife, "The world is queer except thee and me and even thee is a little queer."

Why quarrel over a spoonful of sugar?

The richest county in California grows grapes. Ninety per cent of the land is owned by four men and they won't sell grapes for less than 35 cents per pound, for made into wine, that is what they bring. These same gentry would say, "what this country needs is cheap labor."

I agree with the Irishman who said, "Every country needs enough Irishmen to make the other people behave themselves."

In closing I would like to say to Mrs. Russell—if she gets her Republican president, she need not worry for we will get the depression again. It's as good as in the bag.

I remember the farmers killed little pigs in the new deal administration. Not so in Hoover's—they fed them out and sold the fat hogs for four cents per pound. They bought the pork under Hoover for four cents a pound and are selling it now for a dollar per pound.

Idaho Now Will Lack Vote in Senate, Bliss Writer Asserts

Editor, Times-News:

In answer to J. W. Cypher, I wish to state that the election results showed pretty well how the people of Idaho feel about the new deal and CVA, and my opinions will change only when proven wrong.

In my letter Nov. 3, I said the plan was to divide the U. S. into seven or nine regional authorities according to water drainage. The Rankin bill now pending in congress says nine authorities. I said that these authorities were to be each controlled by three men appointed by the President for a period of nine years and since the supreme court has no jurisdiction over an authority once it is established, the plan would wreck both our state and national constitutions.

On April 18, 1945, before a senate committee hearing on the Missouri river authority, Harold Ickes, secretary of the interior and staunch new dealer, said: "This committee should not underestimate the magnitude of the task that is before it. You have before you not merely a question of establishing a single authority, for eventually the congress will not do less for one watershed than for another. Therefore, there is before you a major step in the basic reorganization of the government of the United States as we have known it for the last 150 years."

This is the scarecrow you spoke of, I presume. I don't believe Mr. Ickes was fooling when he said, "basic reorganization of the government of the U. S. as we have known it for 150 years," do you?

For my part, I believe the constitution of the United States is the most important and the most wonderful document we have in the world today. In fact, it's the hope of the world. It is the supreme law of our land and we should all do well to read it over again and again and again.

As for Glen Taylor, I think he should be recalled. I can't see why Idaho should be without a vote in the senate. Since Dworshak and Taylor are on opposite party tickets, every time they vote they will cancel each other's vote. Thus Idaho is left without a voice in the senate. Since Taylor was repudiated in the election he should be recalled and a new election called.

I repeat, I don't believe we need to scrap our elective system of government to develop our water power. If we do, then, as you said, "God pity us." We'll need it.

MRS. BUD SMITH

Let's Take Look At Problems of Miners, Is Plea

Editor, Times-News:

I think we should know more about the actual working conditions of miners. In some places miners can trade at independent stores but in other places miners have to trade at company stores, live in company shacks or shanties. This thwarting of the home-building instinct, I would think, might cause restlessness. On the other hand, the wages for one group of people can't just spiral at the expense of all others. There must be a balance.

Much of our industrial strife is caused by unwise display of wealth and downright misuse of wealth. The Bible says: "Give me neither poverty nor riches."

Speaking of farmers' organizations—most farm organizations do everything except work on the problems of farmers. This is not necessarily the fault of the organization but because farmers allow themselves to be led off on tangents.

Think You Got It Tough? Listen to Burley Troubles

Editor, Times-News:

There is plenty mud here. Drive close to the curb and your car sticks. Walk over and your shoes pull off, while you wade on in your precious nylons. Before the election you often heard the remark: "Elect the same fellows again. Last year we were handicapped, but this year we will see that the streets are paved." They are—with mud. They said the sidewalks would be built. Are they?

In one place in our city are four big oil tanks, rearing their glamorous heads to the high heavens and only a few feet from a residence. If they should explode they are powerful enough to blow the people for blocks around to kingdom come. They are a fire hazard and a public nuisance. Before even one tank was put up, the people nearby asked that it not be allowed. They were ignored.

Contractors started what would have been a beautiful apartment house to house the war veterans. Something wasn't just up to snuff, so they were ordered to stop work. So with a partly finished basement to gather the rain, no more work was done and the veterans that might have had a comfortable home, are no doubt sleeping anywhere they can find a hole to crawl in. The big oil tanks are up and the apartment house is down.

CVA May Fulfill Bible Quotations, Reader Asserts

Editor, Times-News:

The Biblical quotation to which I referred in my Dec. 8 letter is the prophecy of Isaiah, chapter 35, and again Isaiah 65:21,22, and Micah 4:3,4.

The idea is that the CVA, with other valley authorities, is the fulfilling of prophecy when the kingdom of God will be established on earth. For with the CVA in force, it will be. And not until then will the prophecy of Micah 4:3,4 be fulfilled, when they, "will beat their swords into plow shares and their spears into pruning hooks."

County School Head Position Calls for Democratic Interest

Editor, Times-News:

The qualifications and the salary of a county superintendent should be comparable to others doing like work; the term of office should be lengthened to four years. If it were possible, it might also be wise to have this officer elected by the districts which he serves. This last would eliminate large cities which are not vitally concerned. But it should remain an elective office.

Probably no public officer reaches into our homes as does a county superintendent. He makes important decisions concerning both our children and our money.

What proof have we that a county superintendent going into office through the back door by way of trustees and a board would be a more efficient officer, or freer from pressure and politics? We might also question the value of a procedure that would keep the county superintendent in office indefinitely.

He is a qualified teacher, working directly with people and if he were thrown back into the educational stream every four or eight years, he ought to be able to inject into the teaching world a much-needed democratic spirit. We have an undemocratic idea that because some teacher steps into an office for a few years he has become superior, and that if he again were required to teach in classrooms, he would somehow have become degraded. Nothing could be farther from the truth. It takes many kinds of qualities to run an educational system, but no one is superior to the teacher who works daily with children. More exchange of positions is needed, not less.

The strongest objection to socialized medicine is that doctors may become arrogant and indifferent. The same thing could happen to a county superintendent. If proper qualifications are set up, there is no logical reason for taking this choice from the people he serves.

Now's No Time to Pipe Down, Says 'Pop,' Explaining Views

Editor, Times-News:

A few days ago I received a personal letter from a gentleman in Hagerman. Well, maybe not a gentleman—say a man, though I doubt if he were very much of a man. The letter was anonymous.

Well, he called me about everything in his limited vocabulary for my write-ups and political views. He said he supposed I was an old German that could neither read nor write.

Now I plead guilty to the "old" part and admit my handwriting is awful and it doesn't improve with age. But as to the German part, my paternal grandfather came from Germany 120 years ago, married in Ohio to a girl who was not a German. I am not apologizing for it. The name is German and I have reason to be very proud of it. I am sure I have never written a thing of which I was ashamed or afraid to sign.

If I could not read, I would be just another Republican voter.

Now the leaders of the GOP are very bright—don't ever doubt that—for they keep the common herd of voters so bewildered and confused that they don't know what it is all about.

My politics have been a little erratic. I am a Democrat by principle except when I can't endorse their candidate, such as John Davis, Al Smith and others. So I have flirted with many parties and married none. I have voted socialist, non-partisan and progressive at 28 general elections in three states and have been in Idaho for 40 years. The man said he hoped I would pipe down before another election.

Well, two years at my age is uncertain but I think with my habits and mode of life, barring a bolt of lightning or some other act of God, I hope to see several elections.

I think the man that writes anything he hasn't the nerve to sign is lower than a snake.

Farmers Spend Cash Here, Seek Public Restroom

Editor, Times-News:

Members of the Highland View club of Twin Falls support the suggestion of the Salmon Social club that all clubs band together to secure a public restroom in Twin Falls.

It does seem that a growing, prosperous city like Twin Falls should be able to provide a place for women with small children to wait in comfort until members of the family were ready to go home.

Most of Twin Falls' wealth is derived from the agricultural district surrounding it. We, as farmers, spend thousands of dollars every year in Twin Falls and feel that we are surely entitled to some conveniences.

Worth its wait in Golden Moments

THE first big moment comes, of course, when you step out of your door, and there's your very own Buick, all ready and waiting.

The next one comes when you roll down the street in this handsome creation—and practically feel the eyes of the passers-by following.

You get another lift the first time you meet a hill, and the voice of your Fireball straight-eight engine drops from baritone to bass as it meets the challenge—and tramps the grade down into easy levelness.

Then some night you'll find yourself alone on a quiet moonlit country road—and the whisper of your engine, the soft tread of your coil-sprung wheels, your gentle, cradled, easy stride, will fill your soul with a peace you wouldn't trade for worlds.

The simple truth is that it's not only an automobile you wait for when you wait for a Buick—it's an endless series of sweet satisfactions.

It's not just a matter of size and room and Fireball power and all-coil springing, as any Buick owner will tell you—it's the wonderful way all these add up to make a constant flow of golden moments.

You'd like those moments to start coming soon. So would the whole, hard-hitting crew that's waging relentless war against delays and shortages to produce Buicks for you—and fast.

But the most important thing—when you think it out—is *what* you get rather than *when* you get it—and what you really want is found nowhere else but in Buick.

Why not settle your mind on that and be done with it? You can place your order now for future delivery, with or without a car to turn in—though we like to get trade-ins for our used-car buyers.

What Other Car Has So Much That Clicks For Forty-Six!

It'll Be Gadgety Christmas; Mates, With Lots of Doodads

By JUANITA BAKER

Christmas shoppers may be plagued by a dearth of white shirts, waffle irons and nylons, but no one will find a shortage on the business end of the gadget line.

Fact is, merchants wouldn't display, except during a gift buying season, the thingamajigs now offered. There's a doodad for every man, woman and child and a few aimed at the animal kingdom.

Gadgets, to Wit:

There's a gadget called "the handy salmon egg dispenser." No fisherman can afford to be without one, insisted the man behind the counter, trying to break down my sales resistance. But I don't care if it will fit my pocket, belt or fishing rod. I can't imagine myself baiting a hook with a gooey salmon egg.

As usual cigarette lighters have been disguised, the cleverest being a potential parlor fire-hazard. It's a scaled but exact replica of a Civil war cannon which belches flames.

For Women Too

And, ladies, if what's in stock is any criterion of what you'll get for Christmas, we guarantee plenty of white elephants to pass around bridge tables and sewing circles in the new year. For instance, a pair of beagle hound and firepiug salt and pepper shakers.

Besides the usual "whatnot" adornment, like dust-catching, spunglass stuff ranging from ships to birdbaths, there's the "whipster." The "whipster," originally intended as a super-duper cocktail and malted milk shaker, even decorates cakes by means of a nozzle device.

However, the prize mother's-little-helper turned out to be "not a gadget, but an appliance," a clerk informed us. It's a roaster-toaster-broiler which, when inverted, may be utilized as a frying pan. All in one unit!

Patent Perfume

Incidentally, there may be a dearth of soap powder and toilet soap, but every drug store and notions shop has a counter full of sweet-smelling gift soaps and bubble bath. And, speaking of scents, the gadget which took our eye in the perfume department was a little medieval castle, the glass towers of which held imprisoned precious ounces of Lucien Lelong's "Indiscret," "Jabot," "Tailspin" and "Sirocco."

The dohinkist (plural of dohinkis) destined to keep rodents out of the cracker box are the gopher trap and the mouse electrocuter. The former, a self-setting device, guarantees "no smell" performance. Again, a phenomenal muscular reaction causes a dead mouse to pop from a black plastic trap, but be sure to pull the wall plug before rebaiting the gadget or you'll experience the same treatment.

However, it's the kids and those who wish they were kids who'll have the most fun Christmas morning if they receive any of the unusual toys we saw.

After viewing all and sundry our Christmas spirit began to wane a bit, until we happened upon a dizzy idea of last resort. If you want to give something that'll last a lifetime you can always preserve baby's first shoes by having them cast in bronze or silver or gold to be parked about the house as bookends or paper weights. That is, until "baby" becomes of age and throws the darned gadgets away.

Sweeley Unable to Verify Talk of Post

"I've heard rumors, but I don't know anything about them," Everett M. Sweeley, Twin Falls county attorney, declared Saturday when asked if he was being considered for a state appointive post.

Sweeley, reelected for another two-year term in the Nov. 5 election on the Republican ticket, is completing his fourth consecutive term, or eighth year, as county prosecutor.

Holiday Event Set For Moose Units

Arrangements for a Christmas tree and program at 8 p. m. Dec. 19, in Moose hall here were completed when Moose lodge and Women of the Moose met Friday evening.

Mrs. Ruth Wishart, Mrs. Agnes Wishart, Mrs. Evelyn Nelson, and Mrs. Elsie Myers compose the committee in charge of arrangements.

Mrs. Gloria Mort was initiated into the order during the business session of the Women of the Moose. Mrs. Ruth Wishart, senior regent, presiding.

Card games and songs by a male sextet, with Mrs. Kay Lynch as piano accompanist, provided entertainment at the joint social following the business sessions. Refreshments were provided by the men.

Missionary Night

Home Missionary night will be held at 7:30 p.m. today in the third ward, according to Bishop Rex C. Tolman.

A special musical selection from the ward choir will be offered. Mrs. James Hill will present a vocal solo. A letter will be read from a German branch president thanking the ward for participating in the welfare work. The letter will be read by Mrs. P. H. Babbel and interpreted by F. H. Babel.

Unity Club

O. Henry's "The Gift of the Magi" was read by Mrs. J. O. Robinson, program chairman of a Christmas party attended by members of Unity club recently at the home of Mrs. H. T. Blake, with Mrs. Ray Sheppard assisting.

Mrs. Paul Gordon played the piano for group singing of carols and Catherine Scott played two piano solos of Christmas music. Guest in addition to Mrs. Gordon and Miss Scott was Mrs. Leona Lewis.

Proceeds from a Dutch auction held during the party will go to the Children's home, Boise.

The group will hold a men's dinner party at 7 p. m., Jan. 29, at the home of Mrs. Earl O'Harrow. Members will bring pie, a covered dish, card table and table service.

* * *

Kum Dubble

Santa Claus distributed gifts to each of the children of members of Kum Dubble class of the First Christian church at a party this week in the church basement. The children performed with readings and songs.

Mrs. Doug Williams and Mrs. Virgil Kleinkopf were in charge of entertainment, and Mr. and Mrs. Grant Turner and Mr. and Mrs. Irvin Bodenstab were in charge of refreshments.

Officers Elected

The newly organized young women's group of the Methodist WSCS met recently in the church parlors for a Christmas party and election of officers.

A miniature Christmas tree, flanked with holly, and a setting of reindeer and Santa Claus centered the serving table. Logs with red candles accented by snow as well as a miniature portrayal of the Christmas scene decorated the parlors.

Mrs. Harry Elock presented a talk urging for new leaders in Camp Fire work. Announcement was given from the Camp Fire group of the Lincoln school requesting new guardians.

Newly elected officers are Mrs. Lillian Sullivan, president; Mrs. Helen Madland, vice-president; Mrs. Susan Saur, secretary; Mrs. Katherine Gentry, treasurer.

An opening prayer was given by Mrs. Fern Parkin. Devotions were led by Mayra Allen. The Christmas program announced by Margaret Calvert consisted of a medley by Eileen Terry and Willetta Warbers; comedy reading by Aimee Bryan; solo by Lillian Sullivan, accompanied by Susan Saur. A forecast of Christmas suggestions was given by Rita Switzler. Various items she had made were displayed during her speech. Christmas carols were sung with Susan Saur accompanying.

Mary Modeen was in charge of the Christmas romance and entertainment. Refreshments were served by the committee including Mrs. Modeen, Margaret Calvert, Sara Allen, Susan Saur, Katherine Gentry, Marjorie Gentry, Frances Mothershead and Lillian Sullivan.

Guests were Mrs. George Roeberry, Mrs. F. C. Graves, Mrs. O. O. Jellison, Mrs. W. A. Poe, Mrs. J. W. Proctor, Mrs. F. E. Sanders, Helen Askew, and Rita Switzler. The next meeting will be Wednesday, Jan. 8, with Aimee Bryan in charge.

Malberg-Dimmick Betrothal

The betrothal and approaching marriage of Wanda Marie Dimmick, daughter of Mr. and Mrs. S. B. Smith, 265 Addison avenue west, to Eugene J. Malberg, son of Mrs. Anna B. Malberg, 602 Second avenue west, was announced at a party Saturday evening at the Smith home.

Pictures of the couple were joined with a white ribbon. A wishing well formed the centerpiece. As each guest presented their wish to the couple they drew out a scroll tied with yellow ribbon which announced the date of the wedding for "Feb. 9, 1947." By the well was a large wedding ring with a miniature bride and attendants. The piano was decorated with yellow cut flowers and matching tapers.

Progressive pinochle was played. Besides the engaged couple guests were Mr. and Mrs. Smith, Mrs. Malberg, Mr. and Mrs. Rex Thomas, jr., Mr. and Mrs. W. C. Malberg, Mr. and Mrs. Leo Malberg, Mr. and Mrs. Bill Mingo, Mr. and Mrs. Joe Gish, Murtaugh, Nova Gish, Mrs. L. H. Smith, Mrs. G. H. Manker, Thelma Thietten, Jack Tiffany, Mr. and Mrs. William J. Hughes and Mr. and Mrs. Cecil Glah and Elfriede Reinsdorf.

Weddings, Engagements

Wedding vows were exchanged by A. Helen Jacober, daughter of Mrs. Louise Jacober, Monroe, Wash., and Audeon E. Sharp, son of Mr. and Mrs. R. M. Sharp, 212 Jackson street, Twin Falls, at 2:30 p. m. Thursday, Dec. 12, in the First Christian church parsonage.

The Rev. Mark C. Cronenberger officiated at the nuptial service. The bride was in a powder blue two piece suit with a bouquet of gardenias and sweetheart rosebuds.

Miss Madison Hayes was matron of honor. She wore a powder blue street length dress. She had a bouquet of gardenias and rosebuds.

Robert O. Sharp was best man. The couple will live on a farm, route one, Twin Falls.

The bride graduated from the Monroe high school and worked for the General Insurance company at Seattle. The bridegroom has served in the navy for six years. He graduated from the Filer high school. He will receive his discharge on Jan. 7, 1947.

IN THE BUCKET, No. 1: Wicks' Favorite Play

* * * *

First of a series written for NEA Service by foremost coaches

By GUY WICKS
Vandal Coach

Methods of penetrating the opponents' defense zone necessarily vary with the type of basketball.

This is true even though intercollegiate rules apply to all conferences.

For the middle-west I like the two screens and a block play. Following the diagram, with the cipher team in possession of the ball, A initiates the play while B screens his guard, 2. As A dribbles toward the basket, B breaks for 3 and E moves under the basket.

A in the meantime has feinted a pass to B, who fakes the catch and veers from 3 to screen 5. A passes to E, indicated by heavy line, who in turn hands the ball to D, heavy line, who has moved to the right and under the basket. D scores while A blocks the first rusher, usually 5.

C does not take an active part in the play but keeps 3 out of the action.

NEXT: Stu Holcomb's 2-1-2 set-up at Army.

Vandals Lose To Wyoming

LARAMIE, Wyo., Dec. 14 (AP)—Wyoming university took the second game of a two-game basketball series tonight from the University of Idaho, 36-32, in a catch-as-catch can contest in the Cowboy gym.

Last night the Wyoming quint took the Moscow club to the cleaners, 55-36.

The widest margin throughout the game occurred in the first half when Wyoming boys led, 12-6. From then on Idaho kept it a close contest, Evans, Idaho, racked up 10 points to lead the losers.

Idaho trailed at halftime, 20-13.

MUHLENBERG WINS

TOBACCO BOWL, LEXINGTON, Ky., Dec. 14 (AP)—Two fast and alert football teams ran the ball all over Stoll field today, with the Mules of Muhlenberg college outscoring St. Bonaventure college, 26-25, in the inaugural Tobacco bowl game.

MONTANANS MAY BOX HERE

Helena Plans Golden Gloves Eliminations

Two more cities, one of them outside Idaho, have contacted Doug Bean, American Legion athletic officer who will have charge of the Times-News-Legion sponsored northwest Golden Gloves tournament here Feb. 3, 4, 5 and 6, in regard to sending boxing teams here for the amateur fistic class. The cities are Helena, Mont., and Boise.

Bean said that Helena intends to stage a Montana-wide tournament, from which a team of 16 boxers will be selected for the northwest event. The Boise tournament would be in charge of the Legion post there, Commander Ernie Hood informed Bean.

The long-delayed opening of the Legion gymnasium for the training of boxers to compete in the Twin Falls elimination tournament set for Jan. 16, 17 and 18 is now set for 7:30 p. m. Monday, Bean stated. Nell Weir will be in charge of the training, assisted by Frankie Stanger and Bill Peters. The gym will be open five nights each week for the boxers to work out.

TWO JEROME BOXERS WIN

MOSCOW, Dec. 14 (AP)—Eight bouts staged at a University of Idaho smoker last night by newly - appointed Vandal boxing coach in selecting members of the university boxing team.

Results included: 135-pound class, Verl King, Richfield, decision over Keith Thurston, Boise; 175-pound class, Ted Diehl, Jerome, decision over Wayne Beard, Jerome; Walter Ward, Lapwai, 187, lost to Larry Hanson, 207, Jerome.

Lettermen Bill Williams, Spokane, and Laune Erikson, Jerome, were not eligible for the smoker but will form the backbone of the Idaho squad. Williams is 1942 Pacific coast champion while Erikson has been twice the national 165-pound intercollegiate champion.

BEARS MEET GIANTS

NEW YORK, Dec. 14 (AP)—The Chicago Bears and the New York Giants, professional football's two "swimsuit" clubs down through the years, collide in the Polo Ground tomorrow in the National league's world series.

Ye Olde Sport Scrivener is beginning to suspect that it will not be the University of Idaho Vandals who will be the big interest in their game with the UISB Bengals here Monday night. The Bengals may usurp that role, even in the face of the fact that, in the Vandals, the fans will be seeing a team that caused no little stir in this section when they won the Pacific Coast conference's northern division championship last spring.

That YOSS has swung into that line of reasoning is because there will be with the Bengals a player who most certainly was in his high school days the most spectacular, if not the most sensational, performer ever to appear on the local floor. That player is little Jack Hepworth from Albion, who set a Magic Valley scoring record —about 20 points per game—a couple of years ago before being called into the navy.

The Bengals have a couple of other performers who are not unknown to the Magic Valley fans. There's Murray Satterfield from Aberdeen, who practically single-handed gave his school the class B championship in the tournament at Rupert three years ago and who later was a regular at the University of Utah.

Remember Gerald Reed, the six-foot-six husky who came to Twin Falls and boosted little Emmett into the finals against Idaho Falls in the class A state tournament two years ago? Well, he's with the Bengals and only the other night ran up 18 points against Montana Normal.

AND THAT'S THAT FOR NOW, except: Basketballs will be flying all over the Magic Valley next week.

Mining is the chief industry of Bolivia.

Joe Orengo Resigns As Manager of Bees

SALT LAKE CITY, Dec. 14 (AP)—Joe Orengo, former major leaguer who piloted the Salt Lake City Bees to the Pioneer league baseball pennant last season, has resigned, General Manager Eddie Mulligan said today.

Orengo told Mulligan he had received two offers to manage clubs in triple A leagues, but he declined to disclose details. The Pioneer league is class C.

Mulligan said he would begin looking for a new pilot for the Bees.

League Openings, Invasions Will Feature Magic Valley Cage Bill

The two big conferences—the Big Six and the Big Seven—in the Idaho State Athletic association will knock the lid off their seasons during a week of basketball that will show 34 games in which Magic Valley high school teams will be involved. Included in the program will be Meridian's invasion of the area, playing Coach George Hays' unbeaten district champions, the Rupert Pirates; Sugar-Salmon's invasion to meet its old coach's team, Rulon Budge's Burley Bobcats, and the Nampa Bulldogs, current favorites for the Big Six title, trip to Shoshone to oppose Coach Norris Wilson's Redskins.

However, the big attraction in basketball will be played in Twin Falls Monday night — the Idaho Vandals' game with the southern branch Bengals to wind up the former's long road trip which sent them against some of the strongest quintets in the nation. The Twin Falls Selfs and Oakley Whitleys will play a preliminary game.

Bruins at Pocatello, Idaho Falls

Coach J. S. Halliday's Bruins will open their Big Six conference season by playing the Indians at Pocatello and the Tigers at Idaho Falls on Saturday and Sunday.

Two games will be played in the Big Seven conference—Jerome at Oakley and Filer at Gooding, both on Friday.

The Redskins will have the heaviest schedule, playing three class A teams during the week. They will play at Jerome Tuesday, Filer on Wednesday and then return home to oppose Nampa on Saturday night.

Other Games

Other games include: Tuesday—Castleford at Buhl, Bruin junior varsity and Cubs at Murtaugh, Burley at Heyburn—in which Coach Ted Hanks' unbeaten Panthers will get a real test—Gooding B at Hailey, Dietrich at Fairfield, Glenns Ferry at Hills, Eden at Hazelton, Gooding State at Carey, Declo at Paul, Kimberly at Acequia and Hagerman at King Hill; Thursday —Gooding B at Dietrich, Bliss at Gooding State, Hagerman at Paul (one of the week's features) and Midvale at King Hill; Friday—Malta vs. Rupert junior varsity (a preliminary to the Pirate - Meridian game), Richfield at Hailey, Castleford at Twin Falls junior varsity, Bellevue at Carey, Paul at Rockland, Acequia at American Falls, Kimberly at Murtaugh; Saturday—Eden at Heyburn (a return of last week's game).

41 Points in Week

Beman Woods, King Hill's six-foot-two center, was the big one-man cog in Magic Valley basketball Friday night, just as he was on Tuesday. Although his team went down to defeat, 46-41, before Dietrich's star quintet, Woods rang up nine field goals and two throws for 20 points, giving him 41 points in contests during the week.

That King Hill didn't win on the strength of Woods' playing was because Dietrich had three hotshots, Nelson, 16 points; Woodhouse, 13, and Meservy, one of the Magic Valley's finest athletes for his inches, 12. The preliminary was picked by girls' teams with Dietrich winning, 29-13.

Following right behind Woods for the scoring honors was C. Keerly—one of the reasons why Wendell must be considered in the class C title running. He rang up eight field goals and four free throws as Wendell was defeating Fairfield, 48-31. The 20 points gave him 37 for the week, he having run up 17 against Eden Tuesday.

24 Points in Quarter

A teammate, McBride, had five field goals and three free throws as Wendell rang up 19 points and Fairfield 16 in a wild third quarter. Fairfield got partial revenge as the Mosher junior varsity rang up a 20-18 triumph in the preliminary game.

The leading scorer among the A rangers was Rodney Pollard, Rupert forward, who came through with eight field goals and two free throws for 18 points as the champion and unbeaten Pirates defeated the heretofore undefeated Acequia Indians, coached by Paul McCloy, 38-24. Pollard had a lot of help from his center, Fisher, who had five field goals and five free throws.

Coach Hays of the Bucs said that the Indians were a much better team than they showed against his team, they being slightly off in their shooting.

18 Points for Freiberger

Ed Freiberger came up with 18 points for the Rupert junior varsity as the Jayvees defeated Malta, 40-19.

Both Henry Lenser Heyburn and Filer's 32-32 victory over the Castleford Wolves, while the Oregon Tigers were listing to Shoshone, 35-31, pulled the A schools up with the B schools in the season's competition. Each now has gained four victories.

The Filer-Castleford game was furiously fought. The teams were tied, 6-6, at the end of the first quarter and Filer led by two points at the end of the half and also at the conclusion of the third quarter. Filer also took the junior varsity game, 40-30.

Bob Shadduck and Jerome made 16 field goals, but the Tigers made 17 fouls and this gave Shoshone the chance to win the game at the free throw line. Shoshone led, 8-7, at the end of the first quarter, but in the second the Tigers made 16 points to Shoshone's 12. However, the Redskins wiped out this lead by ringing up 12 points to their rivals' four in the third quarter.

Shoshone won the preliminary game, 35-31.

Heyburn Keeps Record Clean

With Urquhart scoring 10 points, Heyburn kept its record clean with a 26-23 victory over Declo. No more than four points separated the teams during the contest. The junior varsity game went to Heyburn, 40-24.

Richfield's basketball opening wasn't a very auspicious one as Coach Tom Vaughn's team went down before Bellevue, 39-9. Bellevue rang up 18 field goals. Bellevue also won the junior varsity game, 21-20, and the girls' game, 15-7.

Coach Harold Brown's Paul quintet experienced little trouble with Murtaugh, winning 40-23, after getting a 16-6 advantage in the first quarter. Reuben Kraus, Brown's only regular back from his district runner-up last season, made six field goals and two free throws for 14 points. The Paul girls also won, 49-25.

Hazelton was only able to make four points in the second half and as a result went down before Kimberly, 29-27. Taylor had six field goals and a free throw for Kimberly. Hazelton won the junior varsity game, 17-16, and also the girls' contest, 23-11.

Bobcats Win Debut

The Bobcats, making their 1946-47 debut, defeated the Bruins, 30-26, after trailing, 15-11, at the half, and being tied 22-22 after three periods. Bill Bowden made 12 free throws, but the Bobcats had two more field goals.

Hodges used 18 players on his junior varsity team, which defeated the Coach Kermit Perrins' Cubs. Perrins had 15 players in the game.

Both Hailey and Gooding State made nine field goals, but the former came up with three more free throws and won, 24-21. Hailey had 250 shots for field goals.

Hogs—Nominally steady; top $24.00.
Cattle—Nominally steady.

NEW YORK, Dec. 14 (AP)—Steels led a quiet and selective recovery in today's stock market after mild irregularity during the greater part of the short session.

Dealings subsided in the wake of a fairly active opening. Prices then began to stiffen in the final hour and activity picked up a bit. Gains of fractions to a point predominated near the close. Transfers were around 500,000 shares.

In the rising division were U. S. Steel, Bethlehem, Youngstown Sheet, Chrysler, Montgomery Ward, Electric Power and Light, Dow Chemical, Woolworth, Santa Fe, Southern Pacific, Southern Railway and Chesapeake and Ohio.

Engineering public service, strong on Friday, backed down under profit cashing. A number of pivotals held to a narrow shift either way.

Bonds followed a slim course.

LEGAL ADVERTISEMENTS

NOTICE TO PROPERTY OWNERS

Persons living in Twin Falls, Idaho, who are interested in connecting with the new trunk line sewer to be constructed, should contact the property owners living on the same street and file with the City Clerk a petition for the formation of a local improvement district. It is the desire of the city officials to avoid forming a great number of local improvement districts, and to group them in large districts. The City Attorney, Room No. 3, Twin Falls Bank and Trust Company Building, will prepare such petitions upon request.

CONSTANCE J. LEISER,
City Clerk.

Pub.: Dec. 15, 19, 1946.

NOTICE
TO THE STOCKHOLDERS OF THE TWIN FALLS CANAL COMPANY:

You are hereby notified that the regular meeting of the stockholders of the Twin Falls Canal Company will be held on Tuesday, the 14th day of January, 1947, at 10 o'clock A. M., at the office of said Company in Twin Falls, Idaho, for the purpose of electing five members of the Board of Directors and transacting such other business as may come before said meeting.

The books will close for the transfer of stock ten days before said meeting and all proxies must be in the hands of the Secretary not less than five days before said meeting.

TWIN FALLS CANAL COMPANY,
A. WYNNE SMITH, Secretary.

Annual Meet Of LDS Ward Opens Today

Annual conference for the Twin Falls LDS first ward, first since division of the ward in May, will be held today in the chapel at the corner of Fourth avenue and Second east, according to Bishop M. W. Hunt, jr.

Claude Brown, Twin Falls stake president, will officiate at all meetings during the day, commencing with the Sunday school teachers' meeting at 9:10 a. m. It will be followed by the regular Sunday school meeting at 10:30 a. m. and priesthood meeting at 11:05 a. m.

All officers and teachers in the ward are requested to be present at the special 4 p. m. meeting with the stake presidency and stake boards. At 5 p. m. the entire membership is invited to the sacrament service, the final session of the conference. The service will include messages from the bishopric and stake presidency. Music will be furnished by the Twin Falls first ward choir under direction of Francis Egbert.

Local Woman Named On Queen for a Day

Mrs. Grace Hamilton, 243 Fifth avenue east, received a pleasant surprise this week when she learned second hand—via telephone from friends—that she had been named on the Queen for a Day radio program as recipient for out-of-state gifts.

Her daughter, Mrs. Lynn Martyn, Twin Falls, who is visiting in California, attended the program and when chosen as out-of-state queen named her mother. Among the gifts which Mrs. Martyn will receive are blankets, perfume, and Mrs. Hamilton will receive a chest of nylons.

The Martyns are visiting his parents in California.

Burley, Jackson Locals Organize In Patton Union

Two new chapters of the National Farmers' union were installed in Magic Valley the past week, Bob Nelson, field organizer, announced Saturday.

Locals were organized in Burley and Jackson. Organizational meetings are scheduled for 8 p.m. Dec. 18 at Berger school and at 8 p.m. Dec. 23 at Acequia school.

Victor Smith was named president of the Burley local organized Thursday night. Other officers are Henry Weber, jr., vice president; Mrs. Henry Weber, jr., secretary-treasurer; Homer Ollett, doorkeeper, and Harry Berg, conductor.

Officers for the Jackson local organized Friday evening are John Gilson, president; H. H. Greenhalgh, vice president; Anna Dalboglio, secretary-treasurer; P. J. Bennett, doorkeeper, and R. R. Predmore, conductor.

JEROME FARMERS MEET

JEROME, Dec. 14 — The Jerome chapter of the National Farmers union will hold its first regular meeting at 8 p.m. Tuesday at the Jerome courthouse, it was announced today.

Scout Banquet To Draw 150 Leaders Here

Between 150 and 200 Boy Scout leaders from Magic Valley are expected at the annual Snake river council election banquet at 7:30 p. m. Tuesday at the Presbyterian church, according to Herbert R. West, Scout executive.

Highlights of the banquet will be the annual election of council members and the presentation of Silver Beaver awards to two of Magic Valley's leading Scouters. The Silver Beaver award is the highest award in Scouting.

The Rev. H. G. Gardner, pastor of the Episcopalian church at Boise, will be the principal speaker for the event.

West will give his annual report on the progress of the council and a skit depicting the record enrollment of 36 new Scout units with 680 new members.

A special recognition ceremony for veteran Scout leaders will be conducted by Adonis H. Nielson, Burley, and awards will be presented by Dr. R. C. Matson, Jerome, council organization and extension chairman, to all Scouters who have organized groups of Scout units during 1946.

A report of the resolutions committee will be given by Andrew P. James, Gooding, and council members will vote on the proposed resolutions. Invocation services will be delivered by Charles S. Clark, Oakley.

Members of the nominating committee selecting candidates for the 1947 officers are Kent Tatlock, Twin Falls, chairman; Dr. Matson and R. H. Snyder, Albion.

Tickets for the banquet are available at the Scout offices in Burley and Twin Falls and from district chairman and commissioners.

Alumni Seats Set Aside for Contest

Special sections will be available for University of Idaho and U.I.S.B. graduates at the Vandal-Tiger basketball game here Monday evening, John D. Platt, principal, announced Saturday.

The special sections will be across the gym floor from the players' bench. The Twin Falls high school pep band will be between the two alumni sections.

Rudy Ashenbrener, newly appointed district chairman for the University of Idaho alumni association, said that a short alumni session would be held following the basketball game. The meeting will be held either in the gymnasium or the auditorium.

Round-Up Rally

BURLEY, Dec. 14 — The Boy Scout round-up rally for the Raft River district will be held at the Malta LDS church at 8 p.m. Monday, Joseph Barrett, district commissioner, announced.

The rally includes Malta, Elba Yost, Utah and Almo districts. A court of honor will be held under the direction of Morris Smith, district advancement chairman.

2 Women Obtain Divorces in Court

Two decrees of divorce were signed Friday by District Judge James W. Porter following hearings here. Cruelty was alleged by each plaintiff.

Bertha Brittain was awarded 120 acres three miles northwest of Buhl in her action against John M. Brittain, who was awarded a pickup truck. They married Oct. 4, 1946, in Twin Falls county. Her former name, Bertha Shaver, was restored.

Custody of a son, 5, and $25 monthly support was awarded Vertie V. Hector in her suit against John W. Hector. A property settlement agreement was approved. They married Oct. 16, 1937, at Twin Falls.
